Click on edit on right of page

Key in information requested

Course name

Beginning date (**must be within your current licensure period. Ex: expiration date is 01/30/2007 and you renew your license every year.**

Your dates of continuing education must be between 12/31/2006 and 12/31/2007).

Course sponsor

Click on update at beginning of line

Click on new continuing education to add more CEU's

Continue above until you have entered the required amount of continuing education for your license. (If you have questions regarding required amount please review the laws and regs which are also available on the same website)

After you have entered the required amount

Click finished this will take you to the payment screen

Please note: If you have passed your grace period date, you are not allowed to renew online. You will need to submit a renewal form and payment to this office.

If your renewal states that you have been *audited* you will be able to renew online, you are required to submit your renewal form, payment and proof of your continuing education completion for your board to review and approve.
